The Published Five

- **Biotin**
- **Magnesium Chloride**
- **Calcium Gluconate**
- **Vitamin C (Ascorbic Acid)**
- **B Complex**

The Limitation of the List

These are published names only. The menu provides no doses, no concentrations, no infusion volumes, and no branded manufacturers.

The Boundary Matrix

Public Menu Facts

- Confirmed Price ($135/session)
- Confirmed Menu Name
- 5 Published Ingredient Names
- Categorization (IV Wellness Drip)

Requires Clinic Professional

- Clinical Formulation (Dosage/Concentration)
- Personal Eligibility & Suitability
- Medical Advice & Prep Plans
- Result Promises (Energy, Hair, Skin, Nails)

A public menu cannot review medical history. Always consult an appropriate clinic professional.

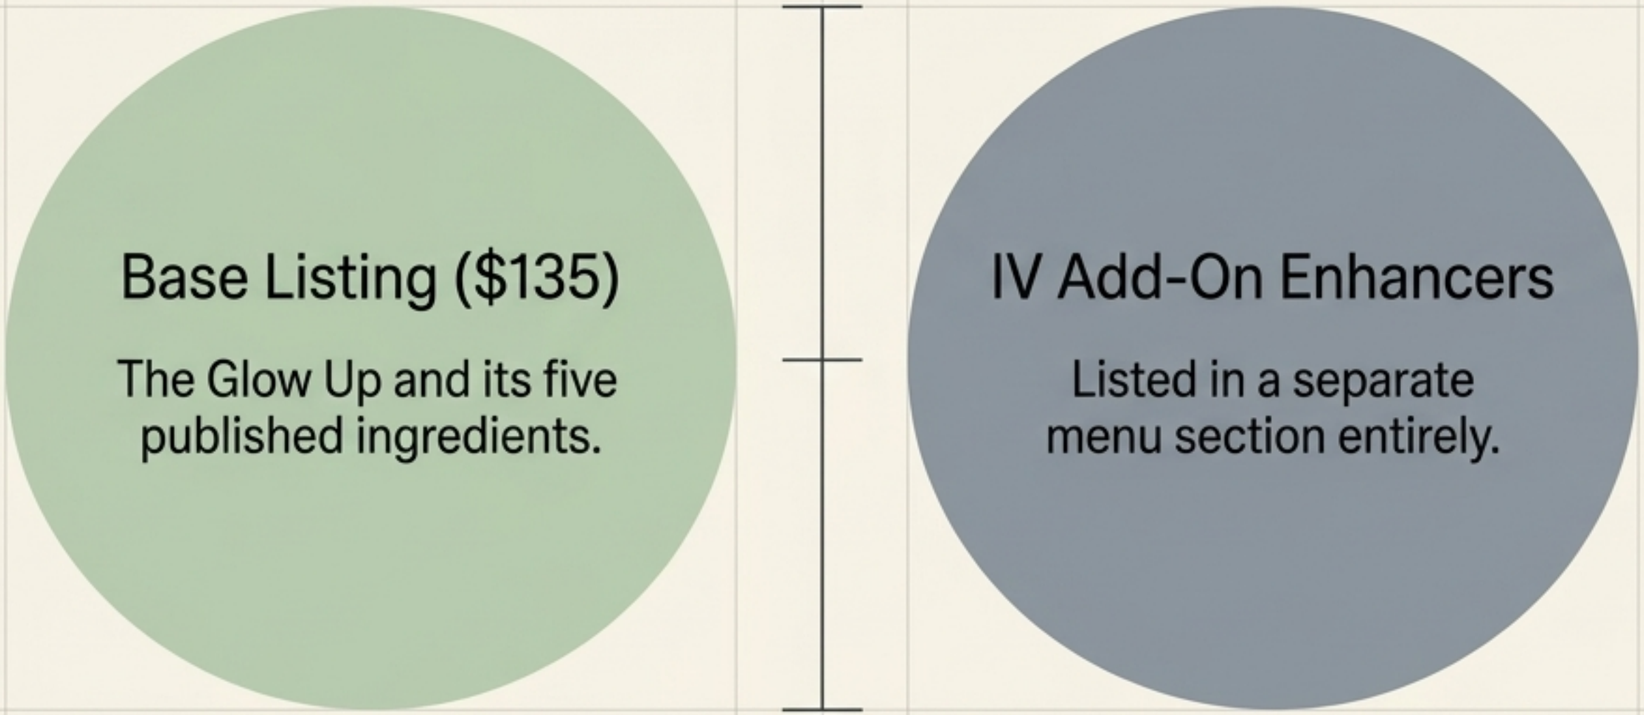
Defining the Base vs. Add-ons



Layout dictates separation. Never assume an add-on is included in the $135 base price. If an optional item is available, request its specific name, independent price, and relationship to the base service.

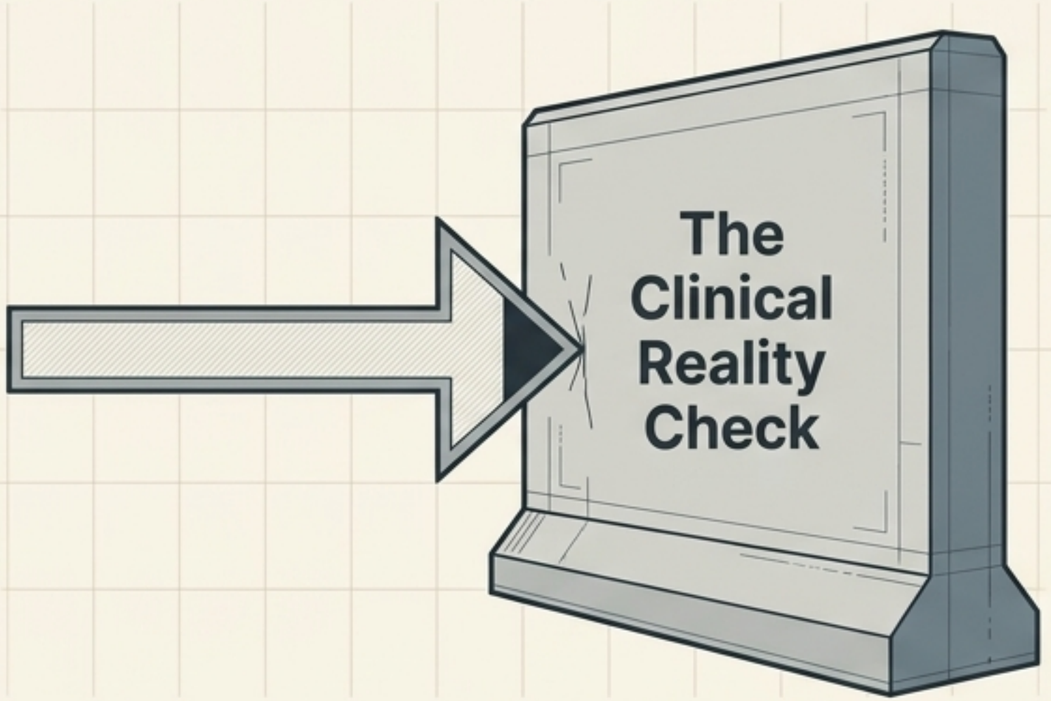
The Architect’s Menu

Separating Taglines from Outcomes

Menu Taglines & Promotional Language

Short menu descriptions, service names (The Glow Up).



Guaranteed Outcomes

~~Changes to hair, skin, nails, energy, hydration, or wellness.~~

Service names are promotional language. This guide and the menu do not predict individual responses. Symptoms, medication questions, or pregnancy concerns must be directed to an appropriate medical professional.
